JAPS DALLY DAMY PERLEET Soldiers in the Field Provided with Score of Things That Will Make Them Comfortable.

London.-Dr. Etner McCaul, who had just returned from Japan, has brought with her the complete outfit of a Japanese soldier of the imperial Guard, as well as samples of the and supplied on active service. The ming has inspected these articles with can sme interest, and pertainly they show a minute and sagaclous care for the Japanese "Tommy's" welfare that might anurd useful suggestions to other nations.

The Japanese sold are even prowided with such details as mosquito nets warm hoods and gaux a (the latter hung by cords from the neck so that they can not be lost), a shcepskin waistcoat for gold weather, boots, lighter and of far superior make to those of the English army, a housewise, an identification abel and a tinbox of creasure pills.

Dried vegetables 163, sait and other wholesome commochies are supplied with the loodstuffs; the riengations are gready boiled, and even fooder for the horses is prepared by driling.

FROM FITLIS AFAR.

The music of the triumphal march in Handel's "Judas Maccabaeus" has been adopted by the imperial College of Music at Tokio as a Japanes, mr entitled "The Victory on the Yasa."

The Dutch government has introduced a bill providing for the compulsory insurance of Dutch and its against the risks and accidentate, their varing, especially in the Normania.

A German contemperary states that within the last de acr are population of Europe has increased awart 38,000. 000, of white witesan in a pibuted 14. .000,000 and France are than 1 = .000.
